

What is the first step?

On the reverse side, fill out the form, then mail it or stop in at the City Hall with the filled out form. Be sure to indicate which way you want to dedicate your tree or bench.

There are three choices:

Donated By

To simply donate a tree or bench to the city of Princeton in the spirit of good will.

In Honor Of

To honor someone special in your heart. Could be for an anniversary, a birthday, any other event, to recognize someone for their accomplishments, or even for a member of the military.

In Memory Of

To plant a tree or donate a bench to give a lasting memorial to a loved one who has passed away.

Helpful Tips

Choose the type of tree and the location very carefully. It is important to be certain as to the location. For any questions or to work with a member of the tree board Call (920) 295-6612.

Princeton Memorial Tree & Bench Program

Created By:
Princeton City Hall

Why donate a tree or bench?

Donating a tree or bench will leave a lasting memorial to honor someone, to remember someone from the past, or will enhance the overall beauty of Princeton's parks. It will also give you an accomplished feeling knowing that you did something good for everyone to see.

What will be done after the tree is planted?

A special leaf will be placed on the "Memorial Tree" inside the Princeton City Hall. The leaf will include where the tree was planted, and who it was made for. You can stop by during any office hours to look at your one of a kind leaf.

The tree committee will choose the best spot for your tree or bench in your given location.
