

CITY OF PRINCETON
COMMITTEE OF THE WHOLE MEETING
COUNCIL CHAMBERS – 431 W. MAIN STREET
TUESDAY, APRIL 12, 2011
6:30 PM

Notice is hereby given of a council meeting for the purpose of discussion and potential action upon the following agenda items:

- 1. CALL TO ORDER AND ROLL CALL.**
- 2. APPEARANCES FROM THE PUBLIC.**
- 3. MINUTES FOR APPROVAL.**
 - A. March 22, 2011
- 4. NEW BUSINESS.**
 - A. Department Head Report-Ambulance Director-Adam Roehl
- 5. ADJOURN.**

* The meeting room is accessible to all. Requests from persons with disabilities who need assistance to participate in this meeting should be made to the Administrator's office at 920.295.6612 with as much advance notice as possible.

CITY OF PRINCETON
COMMITTEE OF THE WHOLE MEETING MINUTES
COUNCIL CHAMBERS – 431 W. MAIN STREET
TUESDAY, MARCH 22, 2011
6:30 PM

Notice is hereby given of a council meeting for the purpose of discussion and potential action upon the following agenda items:

1. **CALL TO ORDER AND ROLL CALL.** Council President Bednarek called the meeting to order at 6:31 PM. In attendance were Alderpersons Kallenbach, Pulvermacher, Hardt, Garro, Magnus, and Bednarek, Administrator Weidl, and Mayor Mosolf.
2. **APPEARANCES FROM THE PUBLIC.** Nothing at this time.
3. **MINUTES FOR APPROVAL.**
 - A. **January 11, 2011** Kallenbach motioned to approve the 1/11/11 Committee of the Whole Minutes, seconded by Pulvermacher.
Carried 6-0.
4. **NEW BUSINESS.**
 - A. **Department Head Report-Police Chief Matt Bargaquast** Police Chief Matt Bargaquast was present to discuss the Police Department. The Police Officers work 10 hours shifts with 5 days on and 4 days off. There is a schedule of the days on and off, but the hours are not always the same. Officers Jole and Mrstik also have on call hours and get paid \$2.00 per hour. Officer Mrstik is involved with the LIFE Program and he donates many hours at the school with that program. Overtime does occur in the department, but it is when emergencies occur or the case the Officers are involved in require extensive time, depending on the situation. There are three (3) part-time Officers that work for the department, but they also are work for the Green Lake County Sheriff's Department. By law the City is required to have police coverage, but the State Statute does not state the requirements, that is at the discretion of the city. The Police Department was ½ percent over budget in 2010. Officer Mrstik had approximately \$5400.00 and Officer Jole had \$4200.00-\$4600.00 in overtime pay in 2010. Alderperson Pulvermacher inquired if the Officers could be scheduled for 2000 hours and have the 80 hours of time as a cushion for the overtime, 2080 is the total amount of hours a year for a 40 hour work week. Alderperson Kallenbach stated the Council can dictate the hours and schedule for employees. Chief Bargaquast stated that the Council trusted him to hire him as Chief so they should trust the hours he is scheduling the Officers. Administrator Weidl stated he inherited the contract for the Police Officers and he would like to see the contract enacted by the Officers as stated in the contract. The large expenditure for the Police Department in 2011 is the new squad car. Sheriff Podoll and Mark Putzke were in attendance at the meeting in case there were any questions. Alderperson Pulvermacher asked Sheriff Podoll the role of the Sheriff's Department for Mutual Aid for the City. The Sheriff's Department will cover the city, but the problem is the Sheriff's Department is a bare-bones-budget

and if they are covering the city the Officer's might not be near the city so calls will have to wait, the response time will be longer or the call, if not an emergency, might have to wait until the next day. Sheriff Podoll asked if things are changing with coverage in the city to let him know and citizens will have to be informed about the Police coverage. Alderperson Bednarek stated the city was not looking at getting rid of the Police Department, and if budgets are cut it is up to the Police Chief to make the cuts to the department. Alderperson Kallenbach would like to see the statistics of the call volumes in the city. Alderperson Hardt does not want to micromanage the Police Department and he thinks the Officers go above and beyond their jobs. Chief Bargaquast asked if there were any more questions and if more information was needed he would provide any information that was requested.

5. ADJOURN. Council President Bednarek adjourned the meeting at 7:15 PM.

* The meeting room is accessible to all. Requests from persons with disabilities who need assistance to participate in this meeting should be made to the Administrator's office at 920.295.6612 with as much advance notice as possible.

**CITY OF PRINCETON
COMMON COUNCIL MEETING
COUNCIL CHAMBERS – 431 W. MAIN STREET
TUESDAY, April 12, 2011
7:00 PM**

- 1. CALL TO ORDER AND ROLL CALL.**
- 2. PLEDGE OF ALLEGIANCE.**
- 3. APPEARANCES FROM THE PUBLIC.**
- 4. CONSENT CALENDAR:**
 - A. Minutes for Approval:
 - i. March 22, 2011
 - B. Licenses for Approval
 - i. “Class A” Intoxicating Liquor and Class “A” Malt Beverage-Dollar General Store 12271-210 Mechanic St., Princeton, WI 54968-Ted Druckery (Agent)
 - ii. “Class B” Intoxicating Liquor and Class “B” Malt Beverage-Whiskey on Water-512 W Water St., Princeton, WI 54968-Timothy Kozlowski (Agent)
 - C. Operators Licenses for Approval
 - i. Abigail H. Johnson (new)
 - ii. Amy J Bungert (new)
 - iii. Amy J Gordon (new)
 - iv. Ginger K Hurto (new)
- 5. OFFICER REPORTS:**
 - A. Mayor.
 - B. Administrator/Clerk/Treasurer
 - i. Zoning Enforcement-Junk
 - C. Police Chief.
 - D. Ambulance Director.
 - E. Emergency Government.
 - F. Zoning Administrator / Building Inspector.
 - G. Library Director
- 6. OLD BUSINESS**

- 9. ADJOURN**

* The meeting room is accessible to all. Requests from persons with disabilities who need assistance to participate in this meeting should be made to the Administrator’s office at 920.295.6612 with as much advance notice as possible.

CITY OF PRINCETON
COMMON COUNCIL MEETING MINUTES
COUNCIL CHAMBERS – 431 W. MAIN STREET
TUESDAY, MARCH 22, 2011
7:00 PM

1. **CALL TO ORDER AND ROLL CALL.** Mayor Mosolf called the meeting to order at 7:24 PM. In attendance were Alderpersons Kallenbach, Hardt, Garro, Bednarek, and Magnus, Administrator Weidl, and Mayor Mosolf. Absent was Alderperson Pulvermacher.
2. **PLEDGE OF ALLEGIANCE.** The Pledge of Allegiance was recited.
3. **APPEARANCES FROM THE PUBLIC.** Nothing at this time.
4. **CONSENT CALENDAR:**

A. Minutes for Approval:

- i. **March 8, 2011-Council Meeting and March 15, 2011-Special Council Meeting**

B. Licenses for Approval

i. Operators Licenses

A. Ashley S Roller (new)

- B. Renee M Mikulski (new)** Garro motioned to approve the Consent Calendar items 4Ai and 4Bi A & B, seconded by Bednarek. Carried 5-0.

5. OFFICER REPORT

A. City Administrator/Clerk/Treasurer Administrator Weidl thanked the Police Department for their hard work, and the Officers work with their resources. If all full-time workers contribute 12.6% for Health Insurance and 6.55% for Retirement there will be a savings of \$35,000.00. Transportation Aid is cut approximately \$13,600.00 and Shared Revenue is cut \$5,647.00. The losses are manageable.

6. OLD BUSINESS

A. 2011/2012 Budget Deficit This will be a reoccurring item on the agenda. It will allow for follow up questions and time to ask for more information for following meetings. Line of credit information will be on the next agenda. Waste and Recycling bids will be opened 4/1/11 at 10:00 am at City Hall. Alderperson Hardt inquired historically the Utility Fund covered the shortfall in the General Fund, is that something that can help? Administrator Weidl stated in 2010 that happened often and that the Payment In Lieu of Taxes from the Utilities to the General Fund will not happen, because what was owed from the General Fund to the Utilities was more than the Payment in Lieu of Taxes. Administrator Weidl is looking into paying off General Obligation Debt early and will get information and bring to next Council meeting. Alderperson Hardt inquired about restructuring debt and combining two debts together. Administrator Weidl will get information on that also.

7. NEW BUSINESS

A. Waive Snow Shoveling Bill for 103 S Farmer Street-Michelle Nighbor No action was taken.

B. Mayoral Appointment-Police Discipline Committee John Meinke, Mark Lind, and Brian Schueler are on the Committee, and at the Reorganizational Meeting on 4/19/11, the terms will be decided.

8. COMMUNICATIONS Executive Assistant Cheryle Nickel stated Arbor Day will be celebrated on 4/29/11, school children will help plant/mulch trees in the City Park. Mayor Mosolf had a complaint from Velma Manthei about dog feces in yards. Police Chief Bargenquast asked for direction with the purchase of the new squad car, which has a VIN number. Alderperson Bednarek stated if the new car is not accepted there would likely be penalties and payments and costs to keep repairing the old squad which will cost more than the new squad. General Consensus from the Council to not cancel the purchase of the new squad, which was budgeted.

9. ADJOURN Mayor Mosolf adjourned the meeting at 7:52 PM.

* The meeting room is accessible to all. Requests from persons with disabilities who need assistance to participate in this meeting should be made to the Administrator's office at 920.295.6612 with as much advance notice as possible.

Library Director's Report April, 2011

Tuesday, March 22's weather was slightly better than it was on the original February Library Legislative Day date. Marj Mlodzik, Library Friends President, and I carpooled with Cindy Wallace, WCTS director, to Madison. Our morning started at 6:30, included legislative updates and more at the Madison Convention Center and a meeting with Senator Olsen, before we met with Representative Ballweg's staff and headed home. I strongly recommend that you touch bases with both of our state legislators to thank them for past support and let them know that we rely on them for continued support. Two topics that are up for discussion is the elimination of maintenance of effort and Act 420. The latter provided \$12,633 to our 2010 budget, with \$15,522 this year. Here's how to make the connection:

Senator Luther Olsen
Room 123 South
State Capitol
PO Box 7882
Madison WI 53707-7882
608.266.0751
Sen.olsen@legis.state.wi.us

Representative Joan Ballweg
Room 119 West
State Capitol
PO Box 8952
Madison WI 53708
608.266.8077/888.534.0041
Rep.ballweg@legis.state.wi.us

Discussion regarding Fond du Lac's withdrawal from WALs (Winnefox Automated Library System) and potential financial impacts continues. Please visit this website for additional information about these issues:

http://www.winnefox.org/trustees/boardreports/2011/03_March/Agenda-March.htm.

Also, if you'd like to discuss any of these issues with Winnefox Library System trustees, here's another web address:

<http://www.winnefox.org/trustees/membership/welcome.html>

Next week, April 10 - 16 is National Library Week. We'll celebrate with some fun events and once again, Culver's Restaurants will be promoting libraries and reading. They're collaborating with Wisconsin's libraries and offering free coupons and prizes for kids up to 11 years old who read and get creative. That same week is also National Volunteer Week. We will be honoring and rewarding our amazing volunteers who provide an average of 15 - 20 hours of direct on-site help per week. Of course, that very significant amount of time doesn't reflect the many hours of behind the scene help provided by you board members, the Friends, and others. Thank you, Library volunteers. You rock!

I am thrilled to report that the American Legion's breakfast fundraiser for the library was a smashing and delicious success. Legion members handed library board members a check for \$1,804 this past weekend. Felix and I helped at the Saturday night prep and during the breakfast. It was a blast--what a great group of people. Our weekend kick-off to National Poetry Month with readings by Wisconsin State Poet Laureate Bruce Dethlefsen was a well-attended and inspiring evening. More than 20 people attended, from a 3rd grader to an octogenarian, and read their original poetry and wrote more. Wow. On Saturday, April 2, Julia Metcalf drove over from her shift at the Oxford

American Bank

City of Princeton
Attn: Mr. John Wiedl – City Administrator
P.O. Box 53
Princeton, WI 54968-0053

RE: Loan proposal

Dear Mr. Wiedl,

Thank you for allowing American Bank the opportunity to present our proposal for a \$100,000.00 loan facility to the City of Princeton. I understand that the proceeds from this facility will be used to support the city's short term cash flow needs. Below is a summary of the terms and conditions of our proposal. Upon your review, please feel free to contact me at (920) 295-3033 with any questions you may have.

Borrower: City of Princeton, Princeton, Wisconsin.

Loan amount / structure: \$100,000.00 (One Hundred Thousand and No/100 Dollars)
multiple advance / non-revolving loan.

Rate / financing term / repayment schedule: 2.50% for a nine month term with all principal and accrued interest due in full at the notes maturity.

Fees / costs: None.

Pre-payment penalty: No prepayment if funds are generated through the municipality. A 1% penalty will be enforced if the funds are generated through refinancing the debt with another financial institution.

In addition, it is agreed that the following terms and conditions be complied with:

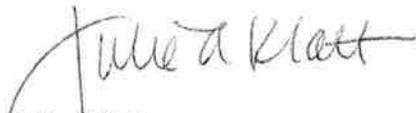

- Primary depository accounts will be maintained at American Bank.
- Documentation reflecting that all applicable governing bodies have approved and authorized this indebtedness with American Bank shall be provided (a copy of the applicable meeting minutes, resolutions, etc.) and that the transaction is federally tax exempt.

City of Princeton
March 24, 2011
Page 2

Please note that this proposal shall expire on April 15, 2011 unless extended in writing by American Bank.

Again, thank you for the opportunity to present this proposal and I look forward to talking with you soon.

Sincerely,

A handwritten signature in cursive script that reads "Julie Klatt". The signature is written in black ink and is positioned above the printed name and title.

Julie Klatt
Bank Officer

Princeton, WI 54968
John S. Weidl, City Administrator

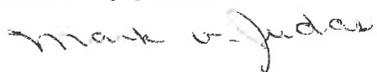

Dear Mr. Weidl:

This letter is our approval and commitment to offer a business line of credit to the City of Princeton, with the terms as follows:

- 1). Loan amount \$100,000.00.
- 2). Term up to 1 year.
- 3). Interest rate is variable equal to the current Prime lending rate plus 0.00% (current Prime rate is 3.25%).
- 4). Collateral: Unsecured
- 5). Monthly payments of interest only on outstanding principal balance.
- 5). Principal due at maturity, and can be paid at anytime without penalty.
- 6). No closing costs or administrative fees.
- 7). No loan advance fees.

I would like to thank you personally for allowing US Bank NA to help you with your lending needs. We have proudly served the City of Princeton for over 30 years and look forward to dealing with you in the future.

Sincerely yours,

A handwritten signature in cursive script that reads "Mark O. Judas".

Mark O. Judas
Assistant Vice President/Branch Manager

Title 10, Chapters 5, Section 8, outlines specific requirements pertaining to maintenance of property specifically junk vehicles, junk, and debris. What is important about these sections is that each property owner within the City is responsible any accumulation that has an adverse effect upon neighborhood or City property values, health, safety, and general welfare, enforceable by the Princeton Police Department

Additionally, 10-5-8-a-2 provides that any business engaged in automotive sales or repair located in a properly zoned district may retain no more than five (5) disassembled or wrecked vehicles in the open for a period not to exceed thirty (30) days, after which such vehicles shall be removed. .

As the City, residents, business owners, and visitors prepare for the summer, it is especially important that we all work together to provide an environment that physically safe and attractive to the people who live and work in Princeton and the business that the community will attract. The City staff will do their part to make sure that the parks, streets, and other community areas are ready for the summer and properly maintained throughout the year. I am asking that residents and business owners do the same.

Title 1, Chapter 2, Sections 1-7 outlines the ability of the City to employ citation forms regarding municipal ordinance regulation, including the method of citation and the fee schedule. **Practically, this means that at date certain, on April 18, 2011, the Princeton Police Departments will begin issuing warnings for any potential violations pertaining to the maintenance of residential or commercial property within the City limits. Property owners will have until May 2, 2011 to comply with municipal ordinance or property owners may be subject to a citation and the municipal fee schedule that governs violations of the municipal code. The fees for 10-5-8 violations are \$177.**

Please contact City Hall to obtain copies of the applicable ordinances.

To: City Council
From: John S. Weidl, City Administrator
Date: 3/24/2011
RE: Emergency Government Co-Director

Issue: The position of Emergency Government Co-Director is unfilled at this time. The City, in conjunction with the Fire Department and the current Emergency Government Director, must update the existing Emergency Operations Plan and draft a flood mitigation plan. These updates are necessary to clarify the roles and responsibilities of the City, City personnel, Fire Department Personnel, and the Emergency Government.

Impact: Without an updated plan, the City is in non-compliance with the USDA regarding the loans used to update water, sewer, and storm water. Additionally, the City's lack of a documented procedure for flooding leaves the City, its residents, and business owners without direct guidance and vulnerable to uncoordinated mitigation efforts.

Actions: I have initiated the hiring of Adam Roehl as the Emergency Government Co-Director through April 20, 2011, at which time both the positions of Director and Co-Director expire. His assistance should prove invaluable as the City begins the process of updating the Emergency Operations Manual and developing a flood mitigation procedure. Over the next week, I will be working with the public works department, police department, ambulance and fire services as well as Emergency Government to draft the City's response plan. This plan will serve to coordinate the efforts of the City, emergency services, volunteers, residents, and business owners from flood preparation efforts through clean up.

**2010 Consumer Confidence Report for 42402195
PRINCETON WATERWORKS**

Water System Information

If you would like to know more about the information contained in this report, please contact Ernest Schmidt at (920) 295-6612.

Health Information

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune systems disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbial contaminants are available from the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Source(s) of Water

Source id	Source	Depth (in feet)	Status
1	Groundwater	404	Active
2	Groundwater	450	Active

To obtain a summary of the source water assessment please contact Ernest Schmidt at (920) 295-6612

Educational Information

The sources of drinking water, both tap water and bottled water, include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally- occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff and septic systems.
- Radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA prescribes regulations that limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water, which shall provide the same protection for public health.

Number of Contaminants Required to be Tested

This table displays the number of contaminants that were required to be tested in the last five years. The CCR may contain up to five years worth of water quality results. If a water system tests annually, or more frequently, the results from the most recent year are shown on the CCR. If testing is done less frequently, the results shown on the CCR are from the past five years.

Contaminant Group	# of Contaminants
Disinfection Byproducts	2
Inorganic Contaminants	16
Microbiological Contaminants	3
Radioactive Contaminants	4
Synthetic Organic Contaminants including Pesticides and Herbicides	25
Unregulated Contaminants	4
Volatile Organic Contaminants	20

Microbiological Contaminants

Contaminant	MCL	MCLG	Count of Positives	Sample Date (if prior to 2010)	Violation	Typical Source of Contaminant
Coliform (TCR)	presence of coliform bacteria in $\geq 5\%$ of monthly samples	0	1		NO	Naturally present in the environment

Disinfection Byproducts

Contaminant (units)	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2010)	Violation	Typical Source of Contaminant
TTHM (ppb)	80	0	2.7	2.7		NO	By-product of drinking water chlorination

Inorganic Contaminants

Contaminant (units)	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2010)	Violation	Typical Source of Contaminant
BARIUM (ppm)	2	2	.188	.188	09/15/2008	NO	Discharge of drilling wastes; Discharge from metal refineries; Erosion of natural deposits
COPPER	AL=1.3	1.3	.1270	0 of 10	11/26/2008	NO	Corrosion of

(ppm)				results were above the action level.			household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
LEAD (ppb)	AL=15	0	6.70	0 of 10 results were above the action level.	11/26/2008	NO	Corrosion of household plumbing systems; Erosion of natural deposits
SODIUM (ppm)	n/a	n/a	3.50	3.50	09/15/2008	NO	n/a

Radioactive Contaminants

Contaminant (units)	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2010)	Violation	Typical Source of Contaminant
COMBINED URANIUM (ug/l)	30	0	2.7	1.8- 2.7	03/17/2008	NO	Erosion of natural deposits
GROSS ALPHA, EXCL. R & U (pCi/l)	15	0	12.7	12.7		NO	Erosion of natural deposits
GROSS ALPHA, INCL. R & U (n/a)	n/a	n/a	12.7	12.7		NO	Erosion of natural deposits
GROSS BETA PARTICLE ACTIVITY (pCi/l)	n/a	n/a	4.2	4.2		NO	Decay of natural and man-made deposits. MCL units are in millirem/year. Calculation for compliance with MCL is not possible unless level found is greater than 50 pCi/l.
RADIUM, (226 + 228) (pCi/l)	5	0	2.3	2.3		NO	Erosion of natural deposits

Unregulated Contaminants

Contaminant (units)	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2010)	Violation	Typical Source of Contaminant
BROMODICHLOROMETHANE (ppb)	n/a	n/a	.96	.96		NO	n/a
CHLOROFORM (ppb)	n/a	n/a	.97	.97		NO	n/a
DIBROMOCHLOROMETHANE (ppb)	n/a	n/a	.77	.77		NO	n/a

Definition of Terms

Term	Definition
AL	Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
MCL	Maximum Contaminant Level: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
MCLG	Maximum Contaminant Level Goal: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MFL	million fibers per liter
mrem/year	millirems per year (a measure of radiation absorbed by the body)
NTU	Nephelometric Turbidity Units
pCi/l	picocuries per liter (a measure of radioactivity)
ppm	parts per million, or milligrams per liter (mg/l)
ppb	parts per billion, or micrograms per liter (ug/l)
ppt	parts per trillion, or nanograms per liter
ppq	parts per quadrillion, or picograms per liter
TCR	Total Coliform Rule
TT	Treatment Technique: A required process intended to reduce the level of a contaminant in drinking water.
