The quorum was met as was the certification of open meeting laws. Motion to approve agenda-Kuglin, 2nd Karlovich, carried. Motion to approve September 3, 2025 minutes-Raddatz, 2nd Kuglin, carried.

Treasurer-gave out payroll #'sMA \$1570, meeting \$4740, payroll-\$3157, Veh maintenance-\$840, Eq maintenance-\$875, billed service \$5480(total \$16,662) Also handed out an amended P & L statement. Motion to approve report plus the amened P&L, Raddatz, 2nd Kuglin, carried

Maintenance-Rennerts did the annual work on trucks, FD is trying to prioritize what should be done first. Kuklinskii contacted Mashudas, to see if the can use a bay by them to fix a certain truck. It was stated that exhaust needs to be done, leaf springs recurved. Kuglin asked if anything has been done yet about truck tires? NO. 803 needs work done because of its age, checking to see if parts are available or have to be built. Some lighting issues will be worked on in house.

Chief's-They did a training burn on the house and garage located on HWY 73. Used the training to work with the UHP, had good results, used less water than expected with it. They received a call from the MIL of the victim of the crash on county rd D, he was doing very well, he is up and walking. This crash was hard to work due to being trapped by trees, major damage to the truck, it was a long extrication with help needed from Green Lake FD of their extrication gear.

Roster-added 2 FF and a JR FF. It is at 29 people including the Chaplain, JR FF and op/engineer. They gave out results from the shrimp boil , got over 1000 after splitting it with ST John's. Brat fry done on opening weekend of hunting raised over \$1500. They have ordered 3 new pagers, going from Minitor 6 to 7's. Roehl handed out run report. MABAS GL county will implement EMABAS(electronic), hoping to go "live" this year, it used to be on paper, but will now be on phones. WI MABAS will be updating it's master agreements, may need a resolution done with each municipality nearus from NIFIRS.

A discussion was held about a radio grant application (80/20) that is available from Motorola and Baycom. Hoping to use it for 2026. They want to use a grant writer, could cost \$3300, that would come from the District. Installation would be \$8260. They would order 4 radios that have dual and be handheld it is a VHF/800mgh. Total of the grant would be \$33,040. Kuglin said it needs to be done. Weckwerth questioned grant writer price, said if we don't use up all of the 2025 budget carryover, it could be applied to that instead of the truck fund. Motion to go ahead with the grant application, Kuglin, 2nd Schnieder, voice vote was taken, all ayes, no no's, carried.
