1885 Mueller Brother's Drug Store

1918 A. F. Breitengross Drugs

1954 Bentley Drug Store

1885 Mueller Brother's Drug Store

Mueller Brother's Drug Store was built in 1885. The building has always been a drug store. In 1918 the Muellers sold it to the Breitengrass family. The Breitengrass family ran it until 1954. The Bentleys are still running it today. The Bentleys still have equipment from the first drug store in the basement.
