RE: Library Expansion Architect

The Library Building Committee met with the Tom Meiklejohn Architect of Fond du Lac regarding the continuation of his services to complete the Library expansion project. Tom had provided preliminary drawings of the project in the early stages of the fund raising. His contract, however did not include the next phases of design and construction. After hearing more details of his services and the company, the Building Committee recommended to the Library Board that they utilize Tom Meiklejohn Architect. The Library Board will make their formal recommendation to Council following their monthly board meeting on Monday, May 7th.

The Building Committee has asked that the City Council hold this special meeting to award the bid to architect.
